

TESTIMONIALS

What is the #1 thing about THEE that you like the most?

Philosophy

- That it was created by parents who have homeschooling their own children.
- They all have experience to help us.
- My favorite thing about THEE is how supportive the entire team is of each family's individual path of educational choices and how our facilitators meet us where we are on the journey without judgement.
- The freedom they've given me to educate my kids the way I think is best.
- Hands off. They leave me to do my thing unless I ask for help.
- I love how there is no pressure and our facilitator has been wonderful.
- Ability to homeschool, freedom to individualize curriculum
- Freedom
- How supportive the facilitators are when it comes to encouraging me to homeschool my kids in the way that best works for them and our family.
- Freedom
- I love that we have freedom to teach our kids as we see fit, but if we have questions or need pointers there is someone there to guide us. Thanks for all you do!
- Freedom
- The freedom to choose our curriculum and style of teaching.
- I like that you don't push certain faiths or curriculums

COMMUNICATION

1) Active

- Any and all of my questions are always answered right away.
- When I first wrote to THEE to ask my many questions about which board I would like to sign with, my questions were all answered. Each question was copied from my email, highlighted and pasted to the reply email, above the answer.
- The way the people take care of you when you call or at a meeting. Very reassuring and make sure everything is right before they give you information
- I like that it's easy to contact someone, that I get a response right away when I ask questions.
- Super friendly staff when you call
- Quick responses
- The kindness and welcoming environment, always been there for answering all my questions
