

Special Discounted Price for THEE Students!

THEE Homeschooling is able to provide a 23% discounted price for your purchase of an annual subscription to *History Plus* Online. The retail price per student subscription is \$110.00, but THEE students will receive a 23% discount on the purchase price and pay only \$85.00 per student subscription.

Each subscription is a per-student subscription and NOT a per-family subscription. Each child, who wants to have access to the *History Plus* learning resources will need his or her own subscription.

If you want to purchase an annual license at this discounted price, then you will need to do the following:

1. Complete the registration form, along with payment, which you can access by clicking [HERE](#).
2. In this form, you will need to tell me the age category of each child for whom you will be purchasing a subscription:
 - A. Category 1: 8-11 years of age
 - B. Category 2: 12-18 years of age
3. Payment will be via an online payment page and will require a credit card.
4. The payment system will email to you, upon your payment, a confirmation of your payment, and you can use this email message within your, "Reimbursement Request Form", so that you can use your home education funding to reimburse you for this purchase
5. A representative from, *History Plus*, will contact you at the start of the upcoming school year (2026-27) to provide to you your login information to your online account. I (Brett) will not have any ability to provide to you the login information to your *History Plus* account.
